Our Pack leadership and Pack Committee believes that no Scout should miss out on what Scouting has to offer because of finances. If you are experiencing financial hardship and need assistance, please see our Committee Chair.

There may be additional weekend events throughout the year that will have an additional cost like camp outs, outings, field trips, and events. These are nearly all optional.

We also recycle Christmas trees as a large fundraiser just after Christmas through around the second week in January. This fundraiser usually covers between 25-50% of summer camp for participating Scouts.

Thank you for your support of Cub Scouting and our Pack. We look forward to an exciting year!
